

Thirumurugan N

UI/UX Designer

SUMMARY

Motivated UI/UX Designer (Fresher) with a strong interest in understanding **user needs** and creating **simple, intuitive, user-centered** designs. Eager to learn, build my **problem-solving skills**, and contribute to **meaningful UI/UX design work**.

WORK EXPERIENCE

Tamilan Studio, Madurai

Graphic Designer / Photo Editor

Mar 2023 – April 2024

- Edited and enhanced photos through **color correction** and **lithography** processes.
- Designed **photo frames and albums** focusing on **aesthetic appeal** and **user-friendly layouts**.
- Collaborated with clients to understand their requirements and deliver visually appealing outputs.
- Developed attention to detail, creativity, and **problem-solving skills** applicable to digital design projects.

Freelance Designer

Customized Logo / Print Media

Mar 2023 – Present

- Designed **customized logos** and **branding materials** for small businesses and individuals.
- Created **print media** like brochures, flyers, and posters with attention to **visual hierarchy and user readability**.
- Collaborated with clients to understand their needs and deliver **tailored design solutions**.
- Developed strong **creativity, layout, and design problem-solving skills** applicable to digital UI/UX projects.

Boss Crackers, Sivakasi

Graphic Designer

May 2024 – Aug 2025

- Designed **crackers box packaging, fancy fireworks labels, and product visuals** with strong attention to layout and color balance.
- Created print-ready designs including **fire pattern graphics, label compositions, and high-quality artwork** for various cracker products.
- Performed **photo color correction, background cleanup, and enhancement** for packaging materials.
- Coordinated with production/printing teams to ensure accurate color output and final print quality.
- Developed creative concepts that improved product shelf appeal and brand recognition.
